General Notes

## GA PLAN - FIRST FLOOR

Scale: 1:50

- General Notes

1. All aspects of this drawing are subject to site survey and preparations of full setting out drawings by main contractor. Any major discrepancies to be discussed with Household prior to manufacture of components. All areas where heights are critical are to be surveyed and setting out drawings prepared at the earliest opportunity.
2. All dimensions relating to suppliers or sub-contractors must be checked and agreed between main contractors and suppliers or sub-contractors.

3. This drawing represents design intent only. Specialist sub-contractors are responsible for the accurate, safe and 'fit for purpose' execution of all issues under their domain. Overall responsibility for implementation lies with main contractor. All variations, which may be the result of technical safety requirements must be discussed with Household prior to implementation. Where variations are necessary, profile of original intent must be maintained or alternative proposals submitted to Household for consideration.

4. Contractor to ensure all details are commensurate with structural stability.
5. All electrical installations to comply with current industry regulations and good practice.
6. All details are to conform with relevant statutory requirements.
7. All design profiles to be maintained in detailing and manufacturing

8. For information on graphics/signage refer to separate Graphics package where relevant.
9. Drawings to read in conjunction with standard Site Drawing Package.
10. If in doubt, ask, consult or advise - please do not assume.

**NB: DO NOT SCALE FROM  
THIS DRAWING. DESIGN INTENT ONLY  
ALL DIMS TO BE TAKEN ON SITE BY CONTRACTOR**
